4. Getting Started

Powering the Charger

The magnetic wireless charger is powered using the USB-C retractable cable (input only). You may power the charger using either a USB-C port in your vehicle or the included 30 W USB-C car charger plugged into your vehicle 12 V outlet.

Charging Your Device

1. Connect power using the retractable USB-C cable.
2. Attach your device to the magnetic charging surface.
3. Charging begins automatically.
4. LED indicator confirms charging status.

5. Safety Information

- Use only with compatible devices.
- Do not place metal objects between phone and charger.
- Avoid exposure to liquids or excessive heat.
- Do not disassemble product.
- Keep away from children.

6. Storage & Maintenance

- Store in a cool, dry place.
- Clean with a soft, dry cloth only.
- Avoid dropping or heavy impact.

7. Warranty

This product includes a limited 3-year warranty from the date of purchase. The warranty covers manufacturing defects under normal consumer use. Damage caused by misuse, accidents, or unauthorized modification is not covered. Proof of purchase may be required. For complete warranty details, visit www.reelcharge.com.

8. Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

9. California Proposition 65 Warning

WARNING: This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
