

# ReelCharge

## 40 W USB-C & C Wall Charger

RC-CH40RB / RC-CH40RW

## User Manual

Thank you for choosing ReelCharge. Read this manual carefully before using your product to ensure safe use and optimal performance. Keep this guide for future reference.

# Product Specifications

**Product name**

40 W USB-C & C Wall Charger

---

**Models**

RC-CH40RB / RC-CH40RW

---

**Input**

100–240 V AC

---

**C1 output (retractable USB-C cable)**

Up to 40 W max

---

# Product Specifications

**C2 output (USB-C port)**

Up to 40 W max

---

**Maximum total power**

40 W

---

**Dimensions**

2.8 × 1.2 × 2.6 inches

---

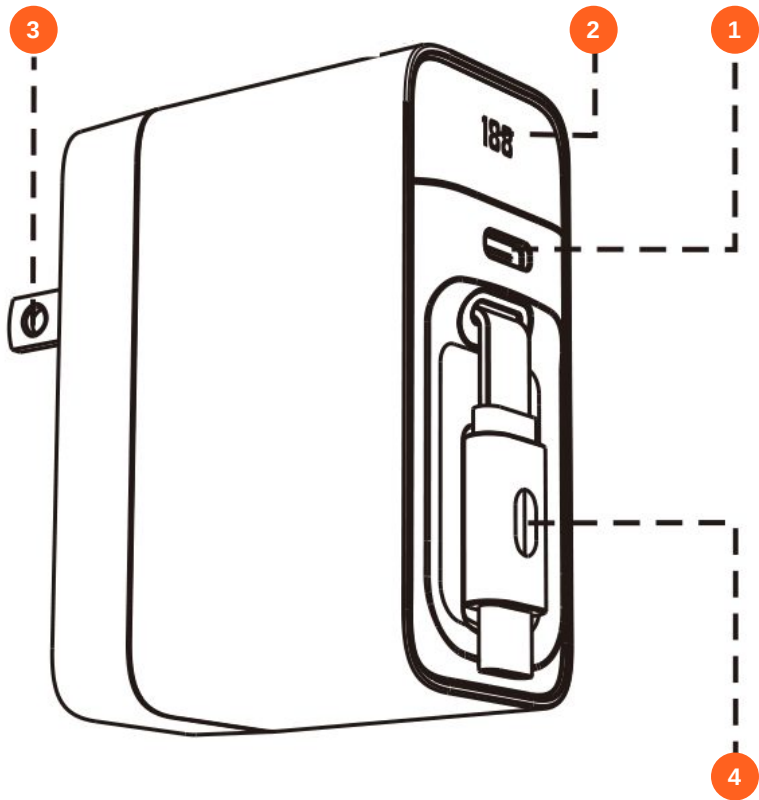

# What's in the Box

- 40 W USB-C & C Wall Charger (RC-CH40RB / RC-CH40RW)
- User Manual

# Product Overview

- C1 retractable USB-C cable output (fast charging)
- C2 USB-C port (fast charging)
- LED output display
- Foldable wall prongs
- GaN fast-charging technology
- Compact travel-ready design

# Product Overview

- 1. C2 USB-C port (fast charging)
- 2. LED output display
- 3. Foldable wall prongs
- 4. C1 retractable USB-C cable output (fast charging)

# Setup

1. Unfold the wall prongs.
2. Plug the charger into a wall outlet.

# Charging Your Devices

You can charge up to two devices simultaneously.

1. Connect the retractable USB-C cable.
2. Connect your device to the USB-C cable (C1) or USB-C port (C2).
3. Charging starts automatically when devices are connected.
4. Retract the USB-C cable when not in use.
5. The LED display shows total power in real time when devices are connected.

Power is automatically distributed among connected devices.

# LED Display

- Displays total power in real time
- The display activates when devices are connected
- Automatic output adjustment when charging multiple devices

# Safety Information

- Use only with compatible devices.
- For indoor use only.
- Do not expose to liquids or moisture.
- Do not disassemble or modify the product.
- Avoid extreme heat and direct sunlight.
- Do not use if the product is damaged.
- Keep out of reach of children.

# Safety Features

- Overload protection
- Overvoltage protection
- Short-circuit protection
- Overheating protection
- Intelligent power distribution

# Storage and Care

- Store in a cool, dry place.
- Fold the prongs when not in use.
- Retract the cable when not in use.
- Clean with a soft, dry cloth.
- Avoid dropping or exposing to heavy impacts.

# Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

# California Proposition 65 Warning

**WARNING:** This product can expose you to chemicals, including lead, known to the State of California to cause cancer and birth defects or other reproductive harm.
