

# ReelCharge

## 100 W Qi-Compatible Power Station

RC-P100Q25B / RC-P100Q25S

### User Manual

Thank you for choosing ReelCharge. Read this manual carefully before using your product to ensure safe use and optimal performance. Keep this guide for future reference.

# Product Specifications

**Product name**

100 W Qi-Compatible Power Station

---

**Models**

RC-P100Q25B / RC-P100Q25S

---

**Input**

Retractable USB-C cable (PD), 100 W charging

---

**Wireless output**

Up to 15 W max

---

**C1 output (retractable USB-C cable)**

Up to 100 W max

---

# Product Specifications

**C2 output (retractable USB-C cable)**  
Up to 100 W max

---

**Maximum total power**  
100 W

---

**Dimensions**  
4.0 × 1.1 × 2.0 inches

---

**Cable length**  
2.5 ft (retractable cable)

---

# What's in the Box

- 100 W Qi-compatible power station
- 100 W wall charger
- User manual

# Product Overview

- 2-in-1 Qi wireless charging station
- C1 retractable USB-C cable output (fast charging)
- C2 retractable USB-C cable output (fast charging)
- Retractable USB-C cable input
- Built-in USB-C cables
- Compact power station design
- Powerful built-in magnet
- Travel-ready design

# Product Overview

- 1. C3 · Retractable USB-C cable input
- 2. Qi-compatible wireless charging surface
- 3. C1 retractable USB-C cable output (fast charging)
- 4. C2 retractable USB-C cable output (fast charging)

# Setup

1. Connect the retractable USB-C input cable to the included 100 W wall charger.
2. Plug the charger into a wall outlet.

The station is ready for use.

# Charging Your Devices

You can charge several devices simultaneously.

Note: Wireless and wired charging share the same power source. You can charge one wireless device and one wired device simultaneously, but not all devices at the same time.

1. Connect devices using the built-in USB-C cables (C1 or C2).
2. Place compatible phones on the wireless charging surface.
3. Charging starts automatically when devices are connected.

Power is automatically distributed among connected devices.

# Wireless and Watch Charging

Wireless charging is compatible with:

- iPhone 12 and later models
- Other Qi-compatible devices

Compatibility may vary by model. Consult your device's manual to confirm wireless charging compatibility before use.

Place devices on the charging surface for optimal performance.

# Safety Information

- Use only with a certified or compatible adapter.
- Do not expose to liquids or moisture.
- Avoid extreme heat and direct sunlight.
- Do not use if the product is damaged.
- Keep out of reach of children.

## Safety Features

- Overload protection
- Overvoltage protection
- Short-circuit protection
- Overheating protection
- Intelligent power distribution

## Storage and Care

- Store in a cool, dry place.
- Retract the cables when not in use.
- Clean with a soft, dry cloth.
- Avoid dropping or exposing to heavy impacts.

# Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

# California Proposition 65 Warning

**WARNING:** This product can expose you to chemicals, including lead, known to the State of California to cause cancer and birth defects or other reproductive harm.
